

MSCAN

If you're looking for a convenient barcode scanning system, MSCAN is for you.

Imagine carrying only one device that does everything you need. Just download the MSCAN APP onto your smartphone and eliminate the need for a scanner.

All data is sent directly into our database, converted into a text file and delivered to you within minutes via email or EDI.

- ✓ Asset Managers
- ✓ Records Storage Companies
- ✓ Supply Chain Custody

Compatible with iOS and Android operating systems.
